

MAD CDs Artwork and Production Requirements

Artwork Requirements:

- Art to our specifications
- 3mm bleed all round for paper parts
- No bleed for disc
- Minimum resolution 300 dpi
- All colours CMYK (not RGB)
- All fonts turned to curves/outlines
- Final files as high resolution, press ready PDFs

Production requirements

To commence production we require the following:

- Production Master (this must be a physical disc or a DDPi file)
- Artwork files to our spec either emailed or on disc or USB drive
- Signed conditions of manufacture
- 50% deposit if required
- Completed order form
- Colour print outs/proofs of paper parts and disc to act as a printer's guide*

*While we can commence your job without printer's guides, should they not be provided we will not be held responsible for colour accuracy.

Now what?

Once you have all your material together you can either:

Bring it into our office personally (or via courier)

Unit 10, 2 Bishop St
St Peters NSW 2044

Mail it to us (via Express Post is best)

PO Box 190
St Peters NSW 2044

Email it to us - please use a file sharing site like hightail.com, Dropbox or WeTransfer for large files.
